

## GRANICRETE PRO.... SHOWER FX TRAINING

**4 hours.....\$150.00**

[Discounts are available for additional attendees on the same reservation.](#)

Are you tired of your shower? Want to reduce time cleaning soap scum, grout or tile? Would like to get a custom stone look for your shower that is easier to clean? Taking the Granicrete flooring system to the wall expands your creative opportunities for new shower and resurfacing applications in bathrooms and other situations where a waterproof decorative concrete system is preferred. The techniques learned here also apply to wood flooring substrates and are especially suitable for patio furnishings. You will complete a step-by-step sample board with an optional taped pattern or Modello Design. Although this class is designed for professional applicators, creative homeowners are welcome to attend.

**Prerequisite:** [Granicrete Flooring Workshop](#)

**Level of Instruction:** All levels

**Product Education:** Granicrete, Modello Designs

**GC# 07151...Thursday, July 15, 1:00-5:00pm, 1:00-5:00pm**

**GC# 11031...Wednesday, November 3, 1:00-5:00pm, 1:00-5:00pm**

This class is part of a four day GRANICRETE PRO MODULE, therefore MODULE registrants will get first spaces available. Register for [Granicrete PRO...Flooring](#); [Granicrete PRO....Countertops](#); [Granicrete PRO...Marketing](#). You will be placed in this class individually as space allows.

**Please list additional attendees and contact information in the comment box in the shopping cart.**

A deposit of **\$250.00** per attendee will be charged to your credit card upon registration. The remaining balance will be posted two (2) weeks prior to the workshop, at which time the course pre-study materials will be sent to you via email.

ArtWorks Spokane reserves the right to cancel the workshop if we have fewer than 4 participants. [Review our class policies.](#)
